

November 2022

Dear Parents,

One nine week period down and three more to go! We want all of our Tigers to succeed, make the honor roll, and be the best that they can be. As I recently told the students, if you were successful the first nine weeks – keep on persevering. If your grades were not what they should be, you still have half the grading period to improve and be successful. For those of you with technology access, all the teachers' email addresses and phone numbers are available on our website at www.lrcentralhigh.net. Please utilize the HAC program for a weekly review of your child's progress. For HAC questions, email Ms. Rowe at (bonnita.rowe@lrsd.org) or Dr. Bland at (anthony.bland@lrsd.org). If you do **NOT** have technology access, feel free to contact your child's guidance counselor and/or teacher(s). It is very important that you partner with us to ensure your child's success.

Come join us for a night of creepy, kooky, mysterious, and spooky love and friendship through adversity, with a comical yet poignant spin. The ghoulish Addams family encounters an unforeseen obstacle when Wednesday (Abigail Porter) introduces her new "normal" boyfriend Lucas (Alex Harkins) to the family. In an effort for love to prevail, Uncle Fester (Phillip Bryd) enlists the help of the Addams' ancestors. As Wednesday admits she's falling in love, Morticia (Lamis Vattoth), Gomez (Tylen Loring), and Pugsley (Ella Tull) worry about her changing ways. Once the families of Wednesday and Lucas come together for dinner one fateful evening, chaos ensues, and the two families find themselves admitting deep secrets and coming together in ways they never would have imagined. You don't want to miss this comical feast that embraces the wackiness in every family.
